Faults Descriptions:

### Important!

When you decide to contact the OM Power manufacturer because of a problem with the power amplifier or another OM Power product, please first fill out this form. After sending it, our service department will contact you ASAP and decide on the next procedure. Please contact us only via E-mail at: [om-power@om-power.com](mailto:om-power@om-power.com).

Please include the model and S/N in the E-mail header.

Thanks !

Regards

OM Power team
